

Metropolitan Lounge

Recent renovations at the Metropolitan Lounge have resulted in an expansive flat-floor area of 740m², providing significant scope for users, and the practical advantage of being on the ground floor. Wide bi-fold doors at the main southern entrance and a large roller door on the west side of the venue further increase the flexibility of the venue by allowing easy access for large equipment, vehicles - even trucks.

The Metropolitan Lounge features two separate bar and food serving areas, numerous eft-pos cable links and ample power points. These facilities and the expansive floor space make the Metropolitan Lounge particularly well suited to trade shows, retail promotions, cocktail events and dinners.

Area Square metres Metropolitan Lounge 863
